Former Didsbury Resident
Wins Trip to Royal Winter
Fair At Toronto This Year

(Chilliwack Progress)
Two Chilliwack clothing club
members, Jean Reist and Marie
Smith, have brought honor to them-
selves and to the Chilliwack district
by winning the provincial clothing
club eliminations at Vancouver last
week.

As a reward for winning the girls
will travel in November to the Royal
Winter Fair at Toronto where they
will participate in National Club
week.

Jean Reist is the daughter of Mr.
and Mrs. Elmer Reist of Chilliwack,
who left Didsbury for the B.C. city
six years ago. Mrs. Reist is the for-
mer Miss Olive Chamberlain.
Jean is a grade twelve student
at C.I.S. She has been a member of
the Clothing Club since it started at
Chilliwack last year.

Friday was Jean's lucky day. Be-
sides winning the coveted trip, Jean
made high marks in the clothing
project, winning for herself a gold
watch donated by the T. Eaton Co.
To top it all off, while celebrating
down on the Gayway at the exhibi-
tion, Jean won a beautiful panda
bear. The panda was appropriately
named "Toronto."

The actual eliminations consisted
of a demonstration, an oral inter-
view and a wardrobe choosing con-
test. Marie and Jean demonstrated
how a basic navy dress can be used
for any occasion with different ac-
cessories. The dress and most acces-
sories were made by the girls them-
selves. The oral interview consisted
mainly of questions on 4-H club
work.

Another interesting feature of the
PNE for the winners was an inspec-
tion of the battleship "Shelfield",
just in from England.

WEDDINGS

EPP-REMPEL
Bouqis of silver spruce and pine
accented by pale green anemones,
white bouquets and wedding bells
formed a beautiful setting at the
altar of New Bergholt Church on
July 31, at 2:30 p.m., when Mary
Rempel, daughter of Mr. and Mrs.
Henry Rempel, became the bride of
Gerhard Epp. The bride and groom
walked down the aisle to the strains
of the Wedding March played by
Katie Hildebrandt. Rev. Wm. Pauls
performed the marriage rites.

The bride wore a long white prin-
cess-line gown of traditional satin,
featuring a very full skirt and long
train. The ensemble was crowned by
a fingertip veil of illusion net fall-
ing softly from a pearl-studded cor-
net. A three-strand necklace of
pearls offset the sweetheart neck-
line. She carried a cascade bouquet
of dark red roses.

The bride was attended by her
sister, Helen, who wore a pale green
floor-length gown of net over tulle
and carried a bouquet of white car-
nations.

The groom was accompanied by
Mr. Nick Schmidt. Mr. Albert Rem-
pel and Mr. Henry Rempel Jr. were
ushers.

During the signing of the regis-
ter, Miss Louise Epp sang "Be-
cause."
A reception was held in the
church basement, where a three-tiered
wedding cake centred the
daintily decorated bride's table.

Friends and relatives of the bride
and groom were present from Chil-
liwack and Sardis, B.C., Nipetha,
Sask., Niagara on the Lake, Ont.,
and from many points in Alberta.

After a short wedding trip Mr.
and Mrs. Epp will reside in the Car-
stairs district.

GILLRIE-QUAST
A recent double-ring ceremony in
Mt. Calvary Lutheran Church united
in marriage Miss Helen Hedy
Quast, youngest daughter of Mrs.
Annie Quast of Calgary, and Mr.
George Albert Gillrie, eldest son of
Mr. and Mrs. Russell Gillrie of
Didsbury.

Rev. A. F. Miller conducted the
ceremony. The bridal couple spoke
their vows before an altar banked
with vases of sweetpeas, apple blos-
soms and baskets of mid-summer
blossoms.

Given in marriage by her brother,
Richard Quast of Lacombe, the
bride wore a full skirted white gown
of net over satin. The fitted bodice
was of satin brocade and topped by
a matching tiara. She wore the
groom's gift of a single strand of
pearls and matching earrings. She
carried a white lily mounted with
red Sweetheart roses.

Attending her sister as matron of
honor, Mrs. Billie Dick was frocked
in a bouffant floor-length gown of
child net over satin with lace in-
serts. Her gloves and headpiece
matched the gown.

Miss Lorraine Coventry of Cal-
gary, as bridesmaid, wore a similar
gown in sea-foam green. They both
carried colonial bouquets of sweet-
peas and carnations. Both attend-
ants wore necklaces and earring sets,
a gift from the bride.

Little Carol Gillrie, niece of the
groom, was flower girl and looked

**Fall Cultivation for Perennial
Weeds** Many farmers do a good job
of following during the summer
months but when the rush of har-
vest begins the fallow is often neg-
lected. Perennial weeds left un-
disturbed in the fall will store suf-
ficient food for thrifty and vigorous
growth during the following year.
Fall cultivation every ten days to
two weeks through the entire har-
vest season and right up until
freeze-up means time and money
well spent. The last few strokes
given in the late fall can well be
the most important ones to eradicate
perennial weeds.

Toad flax is one of the deep-root-
ed, persistent perennials which re-
quire at least one complete summer
of thorough cultivation. In favorable
seasons this weed may be almost
entirely eliminated in one year, but
a second year of fallow is often re-
quired. Farmers living in areas in-
fested with toad flax are advised to
watch for this weed while cutting
grain. A small amount of sodium
chlorate should be carried and these
small patches treated on the spot.
This is much less work than mark-
ing the patches with a stick and re-
turning later to treat them.

CHRISTIAN SCIENCE

Is it possible to follow the
Master's example today? This
question will be answered Sunday
in Christian Science churches in a
Lesson-Sermon titled "Substance."
It will include this example from
the King James version of the
Bible: "And as he was yet a con-
ting, the devil threw him down, and
tore him. And Jesus rebuked the un-
clean spirit, and healed the child,
and delivered him again to his
father." (Luke 9: 42). And this
statement from "Science and Health
with Key to the Scriptures" by
Mary Baker Eddy: "Our Master's
first article of faith pronounced by
his students was healing, and he
proved his faith by his works."
(pp. 145, 146).

sweet in a frock of yellow sheer
and lace. She carried a colonial
bouquet of sweetpeas and carna-
tions and wore a matching head-
piece. Leslie Gillrie, nephew of the
groom, was ring bearer and carried
a white satin cushion fringed with
gold, on which the rings were
placed.

Attending the bridegroom were
Mr. Dorn Gillrie and Mr. Kenton
Gillrie of Didsbury. Ushers were
Mr. Hank Brown of Lacombe, Mr.
Stuart Kennedy played the wed-
ding music and Mr. Barry Gillrie,
younger brother of the groom, sang
"Because" while the guests were
being seated and "I'll Walk Beside
You" during the signing of the
register.

A reception followed the ceremony
in the church parlors where Rev.
A. F. Miller proposed the bridal
toast, to which the groom fittingly
responded.

The bride's table was centred
with a three-tiered wedding cake
fringed with vases of sweetpeas
and lighted white tapers. During
the candlelight supper Mr. Benny
Gillrie of Didsbury sang "Bless This
House."

For a wedding trip to Radium
and points south the bride changed
to a steel gray suit with navy and
white accessories and a corsage
of red Sweetheart roses. The happy
couple will reside in Calgary.

Being a husband is just like any
other job—it makes it easier if you
like your boss.

U.S. SWINE AND SWINE PRODUCTS PROHIBITED

Effective August 29 all import into Canada from the United States of swine, uncooked pork, pork products, pork offal and garbage is prohibited under authority of the Animal Contagious Diseases Act. It was announced by Dr. T. Childs, veterinary director general of the federal department of agriculture.

This action was taken because of the prevalence in the United States of "vesicular exanthema", a highly infectious disease of swine, which if introduced into Canada could cause serious damage to the Canadian swine industry.
